# Pleasing first floor apartment in the historic centre of Barga (Euro 180.000)

**Very pleasing first floor apartment part of a historic palazzo in the centre of Barga. The palazzo was built during the late medieval period which explains why the property has an unconventional layout which in a way adds to its charm.**

**The flat is in a good state of repair having been lived in up until quite recently. There is gas central heating and a solid fuel fireplace which has been used up until recently.**

**One enters the palazzo via a grand portal, that caters to all the apartments in this elegant condominium.**

**The facade and roof of the palazzo were renovated during the 2007 and the original frescoes were dutifully restored.**

**The layout - of entrance hall leads to a very bright bedroom with arched windows with views of one of the city's piazzas. From here we proceed into a wide corridor, there is a bathroom with a loft above, there is a kitchen and a spacious living room with fireplace. From this space we access a small corridor and then as second bedroom with panoramic views over the valley.**

**Included in the spacious cellar with high ceilings used as a storage room. Tuscany**
