In the past even the Spanish newspaper El País defined Barga as one of the 35 Italian towns not to be missed. So there must be a good reason to visit Barga and its territory. Furthermore Barga (LU) has been part of the exclusive club of "The most beautiful towns in Italy" for many years now and has received from the Italian Touring Club the prestigious Orange Flag assigned to inland Italian towns with under 15,000 inhabitants that take care of urban renewal, cultural resources and a rich calendar of events. Barga is also a "Slow City" for its exclusive way of life.

Barga is a rare and precious jewel found in one of the most remote and less known areas of Tuscany. You will not be disappointed: its historical centre, people, bars and restaurants will offer you beauty and a good way of life.

This guide is for all those who want to get to know Barga: experience the Barga summer like a local by discovering its true essence.

Music and poetry on the night of the shooting stars

The 10th of August is a special night: it is the night of the shooting stars that Giovanni Pascoli (who at Castelvecchio Pascoli spent the last and the most productive years of his life) describes in the intense poem “X Agosto”.

For over thirty years the Giovanni Pascoli Foundation, the Misericordia of Castelvecchio and the Town Hall of Barga have organised the Homage Evening to Pascoli, each year enriched by the participation of great interpreters and excellent musicians that blend music and poetry in an unforgettable event.

This year the famous Italian actor and director Giorgio Pasotti who took part in 2013 in the Oscar award winning film “La grande bellezza” of Paolo Sorrentino and in many television series, will accompany the audience in the enchantment of the Homage evening to Pascoli by narrating the most important Pascoli poems.

The musical part of the event will see the return of “Le Muse” Ensemble directed by Maestro Andrea Albertini that will play classical and famous pieces of Morricone, Piovani, Harlen with the participation of soprano Linda Campanella and vocalist Angelica Depaoli.

The 2022 edition will be dedicated to the memory of Gino Strada who dedicated his life to humanitarian and solidarity actions to help populations struck by the war and to “Emergency” the association that he founded.

The presenter and host is, as always, the great Luca Scarlini with Alessandro Bertolucci as director

Like last year, the event will be held in the wide square of the Fosso of Barga, a splendid setting under the antique castle wall, suitable for an audience of great events like this one.

The Orsucci family, genuine Barga-Scots, have been truly welcoming people to Barga for many years.

GIRO DI BOA As part of their family business, the fish restaurant is renowned throughout the whole of the Serchio Valley. You can find it in Via di Mezzo, in the heart of the ancient town, whereby sitting in the square, you will be enveloped by the atmosphere of the sea right here in Barga. You will find Riccardo Orsucci, preparing carefully selected fresh fish and many other traditional local dishes. Absolutely a “must try” : fresh tuna Mojito, mixed fish grill, the famous Risotto Imperiale and deep fried squid and Prawns (Fritto misto).

VILLA GHERARDI HOSTEL B&B With a spectacular view of the historic old town of Barga, immersed and surrounded by greenery and lawns, stands Villa Gherardi, where Adele Pierotti awaits to host you with 13 splendid and comfortable bedrooms (all have ensuite), offering you the chance to enjoy a pleasant stay in Barga. Attentive care in welcoming guests, starting with the breakfast. Villa Gherardi is the perfect place for individual travellers, families, couples and groups.

CAVA TAPPI In Via di Borgo 1, right at the entrance of the old, historical town, you will find CavaTappi, a youthful cocktail bar, ideal for enjoying pre and after dinner cocktails and drinks. Amongst the specialities, there is also the “Gintonicheria” in collaboration with Ambrosia Gin. Open from Friday to Sunday, hosting during the summer live music events.

The cocktail bar is managed by Stefano Orsucci and Stefano Cavani and is open all summer.

Quality courtesy and hospitality since 1980

The Fratelli Lucchesi Patisserie opened 32 years ago. It is the only artisan pastry shop in Barga but is never alone thanks to its numerous clientele even during this long and difficult period connected to Covid-19

The owners Paolo Lucchesi and Francesca Bacci, with their expert staff, produce daily fresh croissants, cakes, pastries, pizza, sandwiches using sourdough and selected prime ingredients that come mainly from the territory.

The most popular and appreciated products are “Befana di Barga”, typical biscuits with marzipan topping produced only in this way in Barga, chestnut and “Barga” biscuits, chocolate, special Christmas and Easter cakes (Panettone, Pasimata and Colomba pasquale). The last successful speciality is Chestnut “Panettone” that won the first prize at the National Pastry Contest.

Under the supervision of Paolo in the laboratory there is always continuous research in new experiments and use of local products. But at Fratelli Lucchesi Patisserie not only are the original products delicious and special but also the most traditional ones like croissants for breakfast or delicate miniature pastries. Here everything is made with passion a special ingredient that enriches everything together with special courtesy and hospitality that you will also find here.

Warm hospitality and delicious sea-food dishes

Typical products and traditional dishes of the Serchio Valley that encounter the aroma of delicious sea dishes to create a symphony of taste. This is what you will find at **La Pergola Restaurant** in the new part of Barga in Via del Giardino 90. This restaurant is in the suggestive part of a more informal but real Barga set in the heart of the Giardino quarter. It is run by Nicola Autiero and his son **Ciro Alan** and together have brought to Barga the atmosphere and culinary tradition of Naples.

In the kitchen you'll find the chef **Ezio Belli** who know how to tempt you with a variety of dishes from seafood to typical local ones all prepared with care and love by those that live for good food and love it with all their heart.

Demanding in quality and if you try this restaurant you'll understand why. A clue? Start by observing the creativity in the dishes.

The selection offered is enriched by the wine cellar that can satisfy even the most demanding palate, by the pizza baked in a wood oven following the Neapolitan tradition and by the excellences of the typical products used.

Under the same management at the nearby **Hotel La Pergola** in Via Sant'Antonio you will find the identical warmth and hospitality to make you feel at home.

The Pergola staff will treat you like a king and queen whether you choose to stay at the hotel or try out their pleasant lunches or dinners.

In the Medici parlour of Barga Vecchia

It is one of the places that cannot be missed during your stay in Barga. It is in the Florentine parlour of Barga Vecchia where you can absorb the atmosphere of Medici Barga and enjoy the intense Barga summer. The Osteria, one of the most popular restaurants in town, is a place where visitors of all ages can enjoy the good life, good tastes and a relaxed atmosphere. The local people love this place, especially in the summer months when Piazza Angelio has a full programme of musical and many other events. It is a favourite place for all the artists that come to Barga; the ideal destination for visitors of Barga.

This is the place where you can find the slow “Barga” lifestyle and be welcomed by the owner Riccardo Negri and his friendly and lively staff.

Wine-bar, restaurant, a place for snacks and drinks with the adjacent lounge bar Angeli...O. The two external terraces offer an exclusive setting on the most intense square of Barga where you can watch the coming and going of people.

Here you feel at home where you can find good company, food and drink: simple dishes but a delight to the palate, that you can normally find in a Barga home. Last but not least an important wine cellar with mainly Lucca and Tuscan wines.

The essence of Barga is served

Caffè Capretz is a bistro in the heart of the historical center of Barga. This place has a long life: it was opened in 1870 by the Swiss family Capretz that gave it its name. Today it is a space where the flavours of contemporary cuisine meet the roots of the territory. It is a bistro café where you can enjoy appetizers and delicious tapas; it is also a restaurant with a rich offer of first courses and meats; it is a corner of gastronomy with a careful choice of quality ingredients. This project was born from the meeting between Gianpaolo Romani, a chef from Ferrara with experience in the best kitchens around the world, and Riccardo Negri, owner of the Osteria di Piazza Angelio in Barga: Caffè Capretz has been of the most popular Barga kitchen innovations in the last years.

You can choose to sit in the internal rooms, in the large external loggia dated to the 16th century, that once hosted Barga market, or on the panoramic terrace where there is an epigraph dictated by the poet Giovanni Pascoli, who was a regular customer of Capretz.

At Capretz you can breathe art: in addition to the rich culinary offer and the beautiful location, the restaurant is a meeting point for many artists. All year round, here you can find the works of painters and sculptors from the local and international scene. Surrounded by beauty and taste, in the heart of the city, this is the right place to experience the essence of the old Barga, welcomed by the staff who will make you feel at home.

The welcoming tradition, nature and refinement

The agriturismo “I Cedri” is in Albiano, a lovely village of Barga, set between Lucca and the Garfagnana mountains one of the greenest and most luxuriant areas of Tuscany.

The residence is surrounded by olive groves and vineyards that cover 16 hectares of land.

In the centre of the estate there is Villa Mordini, built in 1711 even though the foundations date back to an earlier period.

“I Cedri” is an agritouristic complex composed of various rural houses all completely restored with care and passion.

“I Cedri” maintains absolute respect for tradition, guest privacy and provides all the necessary comforts to ensure a pleasant and relaxing stay.

Words cannot express the peace, tranquillity and magical serenity of this place as one walks through the olive groves, along the antique vineyards or by relaxing in the shade of the age-old trees, the great oak trees, the enormous sycamore, the monumental cedars of Lebanon planted in 1838 and placed at the antique entrance of the property.
