Barga (in the province of Lucca the greenest part of Tuscany) is a magical place, and magical are the many villages in the surrounding area.

Its history is linked to that of the poet Giovanni Pascoli, who lived here and produced some of his most famous works, but the history of Barga goes back many centuries and is found in the medieval town of Barga, one of the pearls of the Serchio Valley. Its unique beauty touches you deeply inside.

It has always been a place of inspiration and good living, a favourite destination for artists in search of stimulation and their very special eden.

It is also a destination every year for an ever-increasing number of visitors who, along the streets and alleys of the town, in its typical establishments and restaurants, in the many events that mainly characterise the summer months, and not only, find more than one reason to spend enjoyable hours and days of total pleasure here.

Here you can forget, immersed in the sounds, scents, colours and the welcoming warmth of the inhabitants, the passing of time.

This guide is designed for those who want to experience and get to know Barga in its best aspects. Just like real Barghigiani.

AUGUST X: EVENING TRIBUTE TO PASCOLI

At Casa Pascoli music and poetry on the night of August 10

August 10 is the night of shooting stars; it is the night musically described by Giovanni Pascoli (who spent the last, most productive years of his life in Castelveccchio Pascoli) in the intense poem "X Agosto."

For more than thirty years on this date, the Giovanni Pascoli Foundation, Misericordia of Castelveccchio and Municipality of Barga have organized the Evening Homage to Pascoli, enriched from year to year by the participation of great performers and excellent musicians to blend music and poetry in an unforgettable event.

The event will be hosted in its historic location, the magnificent garden of Casa Pascoli in Castelveccchio, that will be transformed for one night into a stage lit by the stars and flooded by the notes and voices of the performers

Leading the audience in the enchantment of the evening tribute to Giovanni Pascoli, narrating the most significant passages of Pascoli's production will be the famous cinema and TV actor Daniele Liotti.

The musical part will see the return of the musicians of Ensemble Le Muse and exceptional singers directed by Maestro Andrea Albertini, and the repertoire will offer an engaging selection of classical and contemporary music, with a particular predilection for the music of Giacomo Puccini, but not only.

The 2025 edition, for the Jubilee Year, will be dedicated to peace and solidarity that is a great necessity nowadays.

Presenter and host, as always, the very talented Luca Scarlini (directed by Alessandro Bertolucci).

IN THE SHADOWS OF LA VOLTA DEI MENCHI

In the shadows of La Volta dei Menchi with good food and great hospitality, situated within an historical basement in one of the most beautiful parts of Barga's old town, lies this very welcoming Caffetteria.

Above all, it's during the summer that in La Volta dei Menchi you can enjoy a first course meal, a tasty snack, a crepe or just treat yourself to a good coffee, cocktail or aperitif, at the same time enjoying watching the world go by in Via di Borgo, the main street that leads you into the very heart of the old village.

Why not stop by for a short while and discover the old town's slow flow of life, it will have you experience unique sensations.

It is not a casualty that this place just one year from its' opening has become among worldwide visitors a favourite place to visit within the castle walls.

The business is run by two ladies, mother and daughter, who have decided to offer Barga all their industriousness. Dalida Gonnella and Maruska, entrepreneurs of the latest generation, but by no means less prepared in offering their customers, professionalism, genuine hospitality and kind-heartedness.

The cafe' has that little touch of Scotland which characterizes many people of Barga and also Dalida, having lived most of her life there

At the Caffetteria you will be able to have breakfast, snacks, light lunches, aperitifs and more. You will be served by a team of young people who are willing to do well.

Maruska and Dalida also hope to see you in their other two stores: **FREESTYLE** in Via Antonio Mordini n. 6, a clothes shop where you can also find a small selection of souvenirs and gift ideas; and their other special old-fashioned grocery store **IL TUO MINIMARKET** in Via Ponte Vecchio n. 13 where you can buy a variety of fresh produce from Maruska's farm and also top quality local products from nearby surrounding areas.

You will find a wide selection of meat and fish (on weekends only) menus with home-made starters and first courses, selected and high quality meats and typical dishes like tripe, grilled baccalà, Garfagnana trout.

Their best-known dish is delicious pizza baked in the wood oven made from home-made pasta by Chiara and with best quality ingredients.

To finish off delicious home-made cakes like jam tarts and chocolate, cream and apple pies.

If you want an economical lunch La Bionda di Nonna Mary offers a quick and complete menu at the set price of 10€ with different dishes every day.

La Bionda di Nonna Mary is one of the few restaurants in the area that offers gluten free menus with carefully prepared dishes and is recognised by the Italian Celiac Association. SPECIAL PLACES FOR GOOD LIVING

San Pietro in Campo, in the Barga area, is home of **Distilleria Indie**, the **first carbon-neutral distillery in Italy**. The distillery is also a private space for exclusive events and a location for summer initiatives. Inside, it is possible to book tasting tours to discover production powered entirely by renewable energy, with the possibility of direct product sales.

Linked to the Distilleria Indie project, **Pizza Indie** is the venue opened in the **summer of 2023 in Barga** that immediately caught the public's attention, both for its cuisine and its lively after-dinner atmosphere. During the summer season, the rooftop terrace, Terrazza Indie, dedicated to drinks, also comes alive. QUALITY COURTESY AND HOSPITALITY SINCE 1990

The Fratelli Lucchesi pastry shop was established 34 years ago. It is the only artisan pastry shop in Barga, but it is certainly never alone thanks to the large clientele that every day can enjoy fresh and delicious products baked directly from their laboratory.

The owners Paolo Lucchesi and Francesca Bacci, with their highly trained staff, produce brioche, pastries, sweet and savoury cakes, focaccia, pizzas, and sandwiches every day, using sourdough jealously preserved and maintained and selected prime ingredients that come mainly from the territory.

The best-known and most appreciated products, that over the years have also won various prizes in national competitions for professional pastry chefs, are the 'Befana di Barga', a typical biscuit with marzipan topping that is produced only in Barga in this way, chestnut shortbread, 'Barghigiani' biscuits, chocolates, panettone, pasimate and Easter cakes. One of the excellences is the chestnut panettone, that also won first prize in the national competition.

Under Paolo's supervision in the laboratory, there is also continuous research in new experiments and the use of local products. But at Pasticceria Lucchesi, it is not only the original things that are good and special, but also the more traditional ones like breakfast croissants and miniature pastries... Here everything tastes of the passion and love of their job and the special courtesy and hospitality you will always find here.

IN THE MEDICI PARLOUR OF BARGA VECCHIA

It is one of the places that cannot be missed during your stay in Barga. It is in the Florentine parlour of Barga Vecchia where you can absorb the atmosphere of Medici Barga and enjoy the intense Barga summer. The Osteria, one of the most popular restaurants in town, is a place where visitors of all ages can enjoy the good life, good tastes and a relaxed atmosphere. The local people love this place, especially in the summer months when Piazza Angelio has a full programme of musical and many other events. It is a favourite place for all the artists that come to Barga; the ideal destination for visitors of Barga.

This is the place where you can find the slow “Barga” lifestyle and be welcomed by the owner Riccardo Negri and his friendly and lively staff.

Wine-bar, restaurant, a place for snacks and drinks with the adjacent lounge bar Angeli...O. The two external terraces offer an exclusive setting on the most intense square of Barga where you can watch the coming and going of people.

Here you feel at home where you can find good company, food and drink: simple dishes but a delight to the palate, that you can normally find in a Barga home. Last but not least an important wine cellar with mainly Lucca and Tuscan wines.

THE RIGHT PLACE TO ENJOY BARGA

La Loggia del Capretz is a modern bistrot in the heart of the historical centre of Barga; modern proposals that blend in well with the antique history of its walls that have welcomed, since 1870, customers, artists, wayfarers and travellers; even more antique is the sixteenth century loggia that welcomes you and the beautiful panoramic terrace full of history that over looks the new part of Barga and was a favourite meeting place of the poet Giovanni Pascoli.

Today La Loggia del Capretz is an elegant but informal place ... modern and antique but above all suitable all-round for every moment: an aperitif, dinner, quick lunch, afternoon snack or a relaxing drink with friends where you can enjoy the coming and going of summer life. Here no one is obliged to one proposal only.

And the cuisine? The restaurant offers a rich selection of traditional and territorial first courses and meat dishes but the Loggia also presents more cosmopolitan dishes like tacos, hamburgers and latin-american dishes.

Take a seat here. You are in the right place to enjoy good food and live the essence of old Barga and the beauty of this town. Here the staff will always make you feel at home .

WELCOMING TRADITION, NATURE AND REFINEMENT

The agriturismo “I Cedri” is in Albiano, a lovely village of Barga, set between Lucca and the Garfagnana mountains one of the greenest and most luxuriant areas of Tuscany.

The residence is surrounded by olive groves and vineyards that cover 16 hectares of land.

In the centre of the estate there is Villa Mordini, built in 1711 even though the foundations date back to an earlier period.

“I Cedri” is an agritouristic complex composed of various rural houses all completely restored with care and passion.

“I Cedri” maintains absolute respect for tradition, guest privacy and provides all the necessary comforts to ensure a pleasant and relaxing stay.

Words cannot express the peace, tranquillity and magical serenity of this place as one walks through the olive groves, along the antique vineyards or by relaxing in the shade of the age-old trees, the great oak trees, the enormous sycamore, the monumental cedars of Lebanon planted in 1838 and placed at the antique entrance of the property.
