The newspaper The Telegraph, in March 2026, wrote that Barga, is one of the 10 most beautiful boroughs in Italy. As part of the exclusive club, for over 10 years, Barga is defined as the “Most beautiful borough” in Tuscany thanks to its splendid position together with a lively cultural life that makes Barga, according to the paper, well worth a visit.

It is not by chance that Barga has been part for many year, not only of the exclusive club, but also of the Touring Club "Bandiera Arancione" awarded to Italian towns that take care of urban environment, important cultural resources and organise a rich calendar of events. Barga is also "Città Slow" for its exclusive style of lifestyle.

Barga is a precious and rare diamond set in the most remote and less known part of Tuscany and hence the reason why it is well worth visiting this splendid region.

This guide is for those who want to get to know Barga well and live the summer here just like the local people.

## AUGUST X: EVENING TRIBUTE TO PASCOLI

August 10 is the night of shooting stars; it is the night described by Giovanni Pascoli (who spent the last, most productive years of his life in Castelvecchio Pascoli) in the intense poem "X Agosto."

For the past thirty-five years on this date, the Giovanni Pascoli Foundation, Il Serchio delle Muse, the Misericordia of Castelvecchio and the Municipality of Barga have organised the Evening Homage to Pascoli, enriched from year to year with the participation of great performers and excellent musicians to blend music and poetry in an unforgettable event.

The event will be hosted in its historic location, the magnificent garden of Casa Pascoli in Castelvecchio, that will be transformed for one evening into a stage lit by stars and accompanied by the notes and voices of the performers

The famous cinema and TV actor Michele Placido will lead the audience in the enchanting evening tribute to Giovanni Pascoli by narrating the most significant passages of Pascoli's works.

The musical programme, organised by 'Il Serchio delle Muse', will feature the following artists: Valentina Boi (soprano); Amadi Lagha (tenor); Massimo Cavalletti (baritone); the Quartet of the Portuguese State Orchestra (Coimbra); and Massimo Salotti (piano). There will be a wide selection of classical and contemporary music.

The 2026 edition will, in fact, be dedicated to St Francis and the universal values of peace, humility and brotherhood, values that will also be reflected in the selected texts and music as 2026 marks the 800th anniversary of his death.

## BARGAJAZZ CELEBRATES 40 YEARS OF ACTIVITY

From July 19th to August 30th, numerous concerts and events in Barga and many other towns in the Garfagnana and Serchio Valley will celebrate the 40th anniversary of BargaJazz, a festival founded in 1986 by Giancarlo Rizzardi.

The traditional Arrangement and Composition for Jazz Orchestra competition will be held at the Teatro dei Differenti on August 21st and 22nd. This year's theme is the music of Stevie Wonder: arrangers will be asked to adapt his themes for the BargaJazz Orchestra; special guest will be harmonica player Grégoire Maret as soloist.

Between July and August, the charming towns of Calomini, Molazzana, Gromignana, Coreglia Antelminelli, Montefegatesi, Castiglione di Garfagnana, and S. Andrea di Compito will host "i concerti nei borghi".

On July 30th, in the gardens of the Casa Pascoli Museum and in collaboration with the youth council of the Municipality of Barga, a special event will take place featuring an ensemble led by Nicolao Valiensi. On August 29th, at the Teatro dei Differenti, on the occasion of the festival's 40th anniversary, a project by maestro Bruno Tommaso, "Jazz Requiem Mass," will be presented.

The event will conclude on Sunday, August 30th with Barga IN Jazz: a traditional event that will see the historic center of Barga invaded from 5 pm by many jazz groups from Siena Jazz University and jazz-focused conservatories.

In August, again to celebrate the festival's 40th anniversary, both a widespread exhibition will be held in the historic center and an exhibition at the Ricci Foundation featuring some of the most famous local artists.

At the time of going to press, the program is still evolving. All updates can be found on the official website [www.bargajazz.it](http://www.bargajazz.it).

## The Duomo

The Duomo is on the summit of the Castle of Barga and was built in different stages from XI to XVI centuries. It is a monument of rare beauty and from its churchyard you can admire a breath-taking view of the Apuan Alps. It is a Romanesque jewel that hosts suggestive external decorations and various works of art. There are two stoups and a fragment of a fresco from the original constructions. Here you can admire the panel of the Madonna del Mulino and Della Robbia altarpieces and the most important relic of all: the XIIIth century pulpit of Guido Bigarelli.

## Santissimo Crocifisso

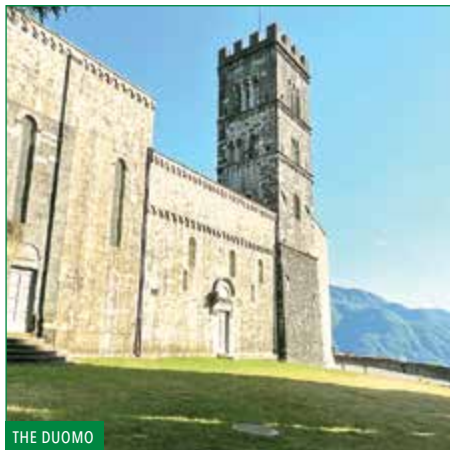

Santissimo Crocifisso is the oldest church after the Duomo. The late XVI century facade has two marble statues on both sides of the gate. The interior is rich of gold and stucco decorations and there is a beautiful wooden choir of mid-seventeenth century.

## Santa Elisabetta

S. Elisabetta is in Via del Pretorio and was built in the XVth century in the presence of a female convent. Inside you can admire a beautiful Della Robbia altar piece and a XIIIth century wooden Crucifix.

## San Francesco

San Francesco is outside the historical centre in Via dei Frati near the Hospital. It was built in the middle of the XV th century by the Monk Beato Michele. Here you can admire wonderful Robbiana terracotta pieces and a well-preserved cloister.

THE DUOMO

## Pieve di Loppia

The Pieve di Loppia can be admired from the main road Fornaci – Barga. Known since 845 it is a building with three naves and protruding transept and semicircular apse that have maintained the severe lines of the original Romanesque building. Inside you will find prestigious works of art like wooden altars and XVIIth century canvases.

## San Giusto in Tiglio

The small mountain village of Tiglio is gathered around this Church that looks onto an arcade with many antique epigraphs. On both sides of the main altar you can see two statues of Saints Giusto and Anthony while in the centre a medieval marble statue of the Annunciation.

40 INCREDIBLE YEARS IN BUSINESS!

A Scots Italian, she arrived from Glasgow with her husband, carrying a dream, and in 1986 she opened her first restaurant in Mologno, the Pizza Pub, just 4 km from Barga.

What began as a leap of faith turned into something far greater than Rita could ever have imagined.

Over the years, the restaurant closed down, but in 2001 the business expanded to include a B&B and holiday apartments, welcoming guests not merely as visitors, but as an integral part of the experience.

Then, in 2013, she began running co-oking courses, sharing her passion for food with people from all over the world. Over the decades, she has had the privilege of meeting extraordinary people, creating unforgettable dishes and building something truly special.

Rita is grateful to everyone who has been part of this journey: her family, her guests, friends and supporters.

Here's to the memories created with them and to many more to come. Rita looks forward to welcoming you with her vision of good living and good cooking.

## IN THE HEART OF "BEAUTY AND GOODNESS"

The valley of beauty and goodness is the famous description that the poet Giovanni Pascoli gave to Barga and Castelvecchio Pascoli. And this beauty and goodness can be found in the historic places of Barga, now run by a family with Barga-Scottish blood in their veins: Dalida Gonnella and her children, Maruska and Sebastiano.

**DA ARISTO** - In the liveliest square of Barga's cultural, artistic and social life, Piazza Salvo Salvi, stands "Da Aristo", an old wine bar continuing a long-standing tradition. The place is just as it always has been: it offers fine drinks, cured meats, local cheeses and platters prepared according to old recipes; every summer it welcomes the colourful crowd of visitors who come to Barga from all over the world and fall in love with this place and its afternoons and evenings, where there is never a shortage of impromptu music from the patrons. To experience Barga to the full means having stopped, lived, sung and drunk at Da Aristo.

**LA VOLTA** - Just a short walk away, in a historic building at Via di Borgo 15, stands this cosy café with its beautiful interior. But it is especially in summer that, in the shade of the Volta dei Menchi, you can enjoy a lovely breakfast, treat yourself to a good coffee, a cocktail or an aperitif, whilst taking in the lively comings and goings along the main street leading to the heart of old Barga. Do try stopping here for a while: you'll discover the slow pace of village life.

Maruska and Dalida are also waiting to welcome you to another special spot in Barga, where 'good food' is once again the star of the show: the historic **IL TUO MINIMARKET** grocery store, which offers delicatessen items and locally sourced produce - thanks to Maruska's farm - as well as a wide range of other high-quality, traditional local products. You'll find it at 13 Via Pontevecchio.

SPECIAL PLACES FOR GOOD LIVING

San Pietro in Campo, in the Barga area, is home of **Distilleria Indie**, the first carbon-neutral distillery in Italy. Ambrosia Gin, Amaro del Riccio Garfagnino and other products made with local botanical and sustainable processes are born here. The distillery is also a private space for exclusive events and a location for summer initiatives. Inside, it is possible to book tasting tours to discover production powered entirely by renewable energy, with the possibility of direct product sales.

Linked to the Distilleria Indie project, **Pizza Indie** is the venue opened in the summer of 2023 in Barga that immediately caught the public's attention, both for its cuisine and its lively after-dinner atmosphere. During the summer season, the rooftop terrace, Terrazza Indie, dedicated to drinks, also comes alive. Pizza Indie combines the tradition of Italian pizza with mixology and the excellence of local products, complementing the production of the nearby Indie Distillery. Live music and pub spirit make it a must-visit place in Barga.

QUALITY COURTESY AND HOSPITALITY SINCE 1990

The Fratelli Lucchesi pastry shop was established 35 years ago. It is the only artisan pastry shop in Barga, but it is certainly never alone thanks to the large clientele that every day can enjoy fresh and delicious products baked directly from their laboratory.

The owners Paolo Lucchesi and Francesca Bacci, with their highly trained staff, produce brioche, pastries, sweet and savoury cakes, focaccia, pizzas, and sandwiches every day, using sourdough jealously preserved and maintained and selected prime ingredients that come mainly from the territory.

The best-known and most appreciated products, that over the years have also won various prizes in national competitions for professional pastry chefs, are the 'Befana di Barga', a typical biscuit with marzipan topping that is produced only in Barga in this way, chestnut shortbread, 'Barghigiani' biscuits, chocolates, panettone, pasimate and Easter cakes. One of the excellences is the chestnut panettone, that also won first prize in the national competition.

Under Paolo's supervision in the laboratory, there is also continuous research in new experiments and the use of local products. But at Pasticceria Lucchesi, it is not only the original things that are good and special, but also the more traditional ones like breakfast croissants and miniature pastries... Here everything tastes of the passion and love of their job and the special courtesy and hospitality you will always find here.

**FUORI DAL COMUNE** – In the heart of Barga 's historical old town, right opposite Palazzo Pancrazi council building. A new venture opened by Stefano Orsucci and his friend Stefano Cavani. ## IN THE MEDICI PARLOUR OF BARGA VECCHIA

It is one of the places that cannot be missed during your stay in Barga. It is in the Florentine parlour of Barga Vecchia where you can absorb the atmosphere of Medici Barga and enjoy the intense Barga summer. The Osteria, one of the most popular restaurants in town, is a place where visitors of all ages can enjoy the good life, good tastes and a relaxed atmosphere. The local people love this place, especially in the summer months when Piazza Angelio has a full programme of musical and many other events. It is a favourite place for all the artists that come to Barga; the ideal destination for visitors of Barga.

This is the place where you can find the slow “Barga” lifestyle and be welcomed by the owner Riccardo Negri and his friendly and lively staff.

Wine-bar, restaurant, a place for snacks and drinks with the adjacent lounge bar Angeli...O. The two external terraces offer an exclusive setting on the most intense square of Barga where you can watch the coming and going of people.

Here you feel at home where you can find good company, food and drink: simple dishes but a delight to the palate, that you can normally find in a Barga home. Last but not least an important wine cellar with mainly Lucca and Tuscan wines.

The restaurant hosts the permanent exhibition of the Barga artist Alba Calamari.

## THE RIGHT PLACE TO ENJOY BARGA

La Loggia del Capretz is a modern bistrot in the heart of the historical centre of Barga; modern proposals that blend in well with the antique history of its walls that have welcomed, since 1870, customers, artists, wayfarers and travellers; even more antique is the sixteenth century loggia that welcomes you and the beautiful panoramic terrace full of history that over looks the new part of Barga and was a favourite meeting place of the poet Giovanni Pascoli.

Today La Loggia del Capretz is an elegant but informal place ... modern and antique but above all suitable all-round for every moment: an aperitif, dinner, quick lunch, afternoon snack or a relaxing drink with friends where you can enjoy the coming and going of summer life. Here no one is obliged to one proposal only.

And the cuisine? The restaurant offers a rich selection of traditional and territorial first courses and meat dishes but the Loggia also presents more cosmopolitan dishes like tacos, hamburgers and latin-american dishes.

Take a seat here. You are in the right place to enjoy good food and live the essence of old Barga and the beauty of this town. Here the staff will always make you feel at home .

## WELCOMING TRADITION, NATURE AND REFINEMENT

The agriturismo “I Cedri” is in Albiano, a lovely village of Barga, set between Lucca and the Garfagnana mountains one of the greenest and most luxuriant areas of Tuscany.

The residence is surrounded by olive groves and vineyards that cover 16 hectares of land.

In the centre of the estate there is Villa Mordini, built in 1711 even though the foundations date back to an earlier period.

“I Cedri” is an agritouristic complex composed of various rural houses all completely restored with care and passion.

“I Cedri” maintains absolute respect for tradition, guest privacy and provides all the necessary comforts to ensure a pleasant and relaxing stay.

Words cannot express the peace, tranquillity and magical serenity of this place as one walks through the olive groves, along the antique vineyards or by relaxing in the shade of the age-old trees, the great oak trees, the enormous sycamore, the monumental cedars of Lebanon planted in 1838 and placed at the antique entrance of the property.
